

NEWSLETTER AUGUST 2010

Sales team RUBA

For a competent sales service and order processing has changed our RUBA Team.

Ms. **Miroslava Mrazova** (left) works from beginning this year with us. Ms. Mrazova has been with full enthusiasm und dynamik incorporated and she is looking forward to answer your requests.

In my profession I like especially: my Job demands, that I have to act and think independent. my Job never boring is. I learn every day something new. my Job is varied. over the telephone I can get to know a lot of nice people. I enjoy myself.

Three characteristics, witch fully apply to me: absolutely reliable, responsible, well organised

Ms. **Giuditta Parrillo** (right) works since April 2010 with us. Ms. Parrillo suits ideally and has been also incorporated to our Team.

In my profession I like especially: to contact and approach the people. the variety. processing of orders. to work well in the motivated team

Three characteristics, witch fully apply to me: Communicative, structured, motivated

We wish our new colleagues good start and a lot of succes.

New cosmetic cap canula for 19 mm tubes

Our new developed tube caps C-1811xx with M11 threads have been successfully tested few months ago. Also these caps can be produced with 6 different outside shapes.
